

# COSCON (UK) LIMITED

## E-Business - You Don't Need to Register to:.....

### Find Schedule by City Pairs

To search by city pairs, enter your origin city, destination city and a date range based on ETA or ETD. You will see schedule information for all of the service loops that provide transportation between the city pairs you entered.

<http://www.coscon.com/ebusiness/service/schedule/searchbycity.do?action=init>

### Find Schedule by Service

To find schedule information by service, select a trade lane, service loop(s), port and a date range, you will receive sailing schedules for only the service loops that you select.

### Find Schedule by Vessel

Simply enter a vessel name and a date range to find Sailing Schedules for a specific vessel.

<http://www.coscon.com/ebusiness/service/schedule/initbyservice.do?action=init>

### Sailing Schedule Subscription

Just leave your email address and select the service line you are interested in, you will receive your Subscribed Sailing Schedules every week.

<http://www.coscon.com/ebusiness/guestsubscribe/initgss.do?action=init>

### Cargo Tracking

Efficiently track and trace your cargo by Container Number. Booking number or Bill of Lading number.

### Tracking by Container Number

Enter a Container Number or multiple Container Numbers separated by a comma. Your search results will include the last location of the container and the container movement history.

### Tracking by Bill Number or Shipment Number

Input a Bill of Lading Number or Booking Number then our system will display the related basic information, sailing schedule information and release information for your reference.

<http://www.coscon.co.uk/default.asp?name=tracking>

### E-Mail Tracking by Container Number

Send an e-mail to [cargotracking@coscon.com](mailto:cargotracking@coscon.com) and COSCON will send you an e-mail with your current bill of lading and container status within minutes! Just follow the instructions below.

To search by container number, type your container number(s) in the subject line of your e-mail. You can track up to six containers at a time by separating them with commas. For example, "CBHU123456, CBHU654321, CBHU236541".

To search by bill of lading number, type your bill of lading number(s) in the subject line of your e-mail. You can only trace one bill of lading at a time. For example, "COSU12345678" or "12345678".

### Vessel Particulars

By entering the vessel name you can easily find detailed Coscon Vessel Particulars including Lloyds Number, Year Built, Vessel Flag.
